

Bob Burns Blinds

YOUR SECURITY CHOICES

Invisi-Gard Stainless Steel

INVISI-GARD - Stainless steel gives security and view: Doors and window screens available without grille for uninterrupted view. Invisi-Gard doors have been tested with an axe, knife and hammer. All our products are in accordance with Australian Standards AS2803.1

True Security Invisi-Gard doors have stainless steel mesh, triple locks and three hinges, door closure. A must in bushfire areas. Available in sliding doors.

SECURE YOUR HOME NOW!

MOST HOME INVASIONS ARE THROUGH WINDOWS
Stop this happening to you with screens made with burglar proof grille or see through stainless steel mesh.

ROLLERSHUTTER SECURITY

Roller shutters protect against intruders, making a forced entry very difficult. Roller shutters also provide protection of your home from weather in all seasons. This means a dramatic reduction in heating and cooling costs, provide ideal insulation from heat and cold. They also give excellent noise reduction.
